

**MEMORANDUM OF UNDERSTANDING BETWEEN
MIZORAM COLLEGE OF NURSING
AND
NATIONAL PROGRAMME FOR CLIMATE CHANGE AND HUMAN
HEALTH**

This Memorandum of Understanding (MOU) is made and entered between

1. MIZORAM COLLEGE OF NURSING (MCON) having their administrative Office at Falkawn, Mizoram – 796005, represented by Principal, and includes their successors, Executors, Administrators and Assignees.
2. STATE NODAL OFFICER, National Programme for Climate Change and Human Health (NPCCHH), having their office at Directorate of Health Service, Dinthar, Mizoram- 796001 represented by Dr. R. Lalchhuanawma.

Mizoram College of Nursing (MCON) and NPCCHH has agreed to work together for reduction of climate sensitive illnesses through integration of Climate change and human health in training of Undergraduate nursing students and their faculty.

3. TERM

This MOU is effective upon the day and date last signed and executed by then duly authorized representative of the parties to this MOU and shall remain in full force and effect for 5 years from the effective date.

4. OBJECTIVE

The objective of this collaboration is to impart training on Climate change to undergraduate nursing students with the expertise from the programme. They will also facilitate training to the faculty by experts from Climate change, who could also help in documentation and research.

5. ROLE AND RESPONSIBILITIES OF MCON

5.1 MCON will integrate Climate change and human health to undergraduate nursing curriculum.

5.2 MCON will identify interested Nursing faculty from Nursing Colleges for training conducted by NPCCHH and in turn act as trainer whenever need arises.

5.4 MCON will make all necessary arrangements, including venue in its institution for workshop on Climate change and human health whenever necessary.

5.5 MCON will try to incorporate better documentation based on guidelines given by National and state.

5.6 MCON will actively participate in creating awareness to the public on Impact of climate change on human health.

6. ROLE AND RESPONSIBILITIES OF NPCCHH

6.1 Support MCON with the content and expertise for Climate change and human health in nursing curriculum.

6.2 Facilitates training for interested Nursing faculty from MCON and utilize as trainer whenever need arises.

6.3 Share expertise in Climate change and human health through documentation and resource material based on National standard.

In witness whereof, the parties to this MOU through their duly authorized representatives have executed this MOU on the days and dates set out below, and certify that they have read, understood, and agreed to the terms and conditions of this MOU as set forth herein.

The effective date of this MOU is the date of the signature last affixed to this page.
