Subject: Setting up of Small Nursery req.

Madam,

It is my pleasure to witness the successful setting up of Small Nursery in your campus.

However, it is regretted to inform that the total fund originally allocated (₹6,02,500 Rupees Six Lakhs Two Thousand Five Hundred) for the set up of Small Nursery will not be available as the Central Government has decided to release only the 1st installment of the total fund approved under Medicinal Plants Component of National AYUSH Mission for the year 2020-21. This is largely due to the fact that the Medicinal Plants Component of National AYUSH Mission will be changed to a Central Sector Scheme under National Medicinal Plants Board by the coming Financial Year.

In this matter, an amount of ₹2,08,135 (Rupees Two Lakhs Eighth Thousand One Hundred Thirty Five) is yet to be released for the continual set up of the Small Nursery, which will be soon released.

Also, in connection to setting up of the Small Nursery, the following plants are chosen to be propagated in your nursery –

- | | | |
|------|-----------------------------|---------------------------|
| i) | <i>Oroxylum indicum</i> | - atleast 10,000 saplings |
| ii) | <i>Rauwolfia serpentine</i> | - atleast 10,000 saplings |
| iii) | <i>Tinospora cordifolia</i> | - atleast 10,000 saplings |

Yours sincerely,

(Dr. LALKHAWNGAIHI RENTHLEI)
