

**MEMORANDUM OF UNDERSTANDING BETWEEN
MIZORAM COLLEGE OF NURSING
AND
STATE VECTOR BORNE DISEASE CONTROL PROGRAMME
(SVBDGP)**

This Memorandum of Understanding (MOU) is made and entered between:

1. MIZORAM COLLEGE OF NURSING (MCON) having their administrative Office at Falkawn, Mizoram – 796005, represented by Principal, and includes their successors, Executors, Administrators and Assignees.
2. STATE PROGRAMME OFFICER ON STATE VECTOR BORNE DISEASE CONTROL PROGRAMME, having their office at Directorate of Health Service, Dinthar, Mizoram- 796001 represented by DrLalremmawii.

Mizoram College of Nursing and State Vector Borne Disease Control Programme have agreed to work together for Promotion of Vector Borne Disease Control Programme in training of Undergraduate nursing students and their faculty.

3. TERM

This MOU is effective upon the day and date last signed and executed by then duly authorized representative of the parties to this MOU and shall remain in full force and effect for 5 years from the effective date.

4. OBJECTIVE

The objective of this collaboration is to impart training on Vector Borne Disease Control Programme to undergraduate nursing students under MCON, with the expertise from SVBDGP. They will also facilitate training to the faculty by experts from SVBDGP, who could also help in documentation and research.

5. ROLE AND RESPONSIBILITIES OF MCON

- 5.1 MCON will incorporate Vector Borne Disease Control Programme to the Undergraduate Nursing curriculum.
- 5.1 MCON will identify interested Nursing faculty from Nursing Colleges for training.
- 5.2 MCON will make all necessary arrangements, including venue in its institution for workshop on Vector Borne Disease Control Programme.
- 5.3 MCON will try to incorporate better documentation based on Vector Borne Disease Control Programme Guidelines.

5.4 MCON will select a group of students interested to take forward Vector Borne Disease Control Programme either in academic or in practice. This group of students will also be guided by the experts in SVBDCP.

5.5 MCON will create awareness in prevention of Vector Borne Diseases in the community whenever necessary.

6. ROLE AND RESPONSIBILITIES OF SVBDCP

6.1 Support MCON with the content and expertise on Vector Borne Disease Control Programme whenever new guidelines are issued at National and State level.

6.2 Facilitates training for interested Nursing faculty from MCON and utilize as trainer whenever need arises.

6.3 Share expertise in Vector Borne Disease Control Programme through documentation and resource material based on National standard.

In witness whereof, the parties to this MOU through their duly authorized representatives have executed this MOU on the days and dates set out below, and certify that they have read, understood, and agreed to the terms and conditions of this MOU as set forth herein.

The effective date of this MOU is the date of the signature last affixed to this page.
