1. PROFILE OF THE COLLEGE

Mizoram College of Nursing (MCON) was established in 1980 under the Health & Family Welfare Department, Government of Mizoram, with an initial intake capacity of 20 students for the General Nursing and Midwifery (GNM) programme. Since its inception, the institution has played a pioneering role in nursing education in the state and has consistently contributed to the healthcare sector by producing competent, dedicated, and compassionate nursing professionals.

Over the years, MCON graduates have served with distinction in various healthcare institutions across India and abroad. Recognizing its commitment to excellence in nursing education, the institution was upgraded to a College of Nursing on **11 October 2005** and commenced the **Bachelor of Science (B.Sc.) Nursing** programme, a four-year degree course. The **Post Basic B.Sc. Nursing** programme was introduced in **2025**, and the **Master of Science (M.Sc.) Nursing** programme is scheduled to commence from the **2026 academic session**.

The programmes offered by the college are recognized by the **Indian Nursing Council (INC)** and affiliated with **Mizoram University**. The institution has been accredited by the **National Assessment and Accreditation Council (NAAC)** with a **B Grade**, making it the only stand-alone accredited nursing college in the North-Eastern region of India. In addition, the college has been awarded **ISO 9001:2015 Certification**, reflecting its commitment to quality education and continuous improvement.

The college continues to strive for excellence in nursing education, research, and service, with the goal of preparing highly skilled nursing professionals to meet the evolving healthcare needs of society.

2. VISION

To be a Centre of Excellence in preparing competent and ethically sound professional nurses through quality nursing education, ultimately contributing to positive health care outcome globally.

3. MISSION

To prepare excellent and competent nursing professionals with a passion for quality nursing care, through Evidence Based Practice and whose actions and voices will be recognized for their skills in leadership, enabling them to be life-long learners.
